

2024 Yearlong Devotional List

There is a long history of Christians reading daily devotionals alongside their time in the Scripture. In 2024, we want to encourage you to join this rich history!

Devotional books are not meant to replace reading the Bible but are designed to spur us on in the Christian life. They cause us to slow down, ponder a particular aspect of Scripture, and worship God with all our hearts. The Holy Spirit can use a daily devotional book to bring about fresh love for God in your life.

Here are six hand-picked yearlong devotionals for you to enjoy as you spend time with God. It is our prayer that they help you grow in your knowledge of God's word and deepen your love for Christ. Select one and embark on a life-changing journey.
