SUNDAY SCHOOL

CURRICULUM

KNOWING THE BIBLE

The **Knowing the Bible** series is a line of Bible Studies designed to help Christians better understand and apply God's Word. This series emphasizes showing how each passage unveils the gospel, seeing the text in light of whole story of Scripture, teaching key doctrines, asking thoughtful questions to spur discussion, and helping you better understand and apply God's Word.

Sunday School lessons will correspond to each 12-week study covering a different book of the Bible. Participants in Sunday School will follow along by completing the study at home before each week's lesson is taught.

Teachers will be provided a new Bible Study each quarter, while physical copies can be bought for \$6 from the church by each Sunday School member.

An online version of each book is available at no cost from The Gospel Coalition at thegospelcoalition.org/course/knowning-bible-series.
